JOURNAL OF INNOVATIVE SCIENCES

ISSN: 2411 – 2240

CALL FOR PAPER

Dear Researchers,

Journal of Innovative Sciences is an open access, biannual and peer reviewed research journal jointly published by Department of Biotechnology and Zoology, Lahore College for Women University and Society for the promotion of Science and Technology (SPST). The journal is designed to promote research in the field of Botany, Biotechnology Chemistry, Computer Science, Physics, Environmental Science, Geology and Zoology.

The journal is using online system for manuscript submission and handling. Authors can check the status of the manuscript on the new journal website after log in as author. Furthermore experts can also register as a reviewer and can be added in our reviewer's panel. The journal is inviting submissions for upcoming issues. All submitted articles should report original unpublished research. The submitted papers need to fulfill Manuscript formatting and submission guidelines that can be accessed on <http://researcherslinks.com/journal/Journal-of-Innovative-Sciences/27>.

The following types of article will be considered:

1. Research articles: Original research in various fields of science will be evaluated as research articles.
2. Reviews: Reviews of recent developments, improvements, discoveries, and ideas in various fields of science.

How to submit?

Kindly register as an author and submit your manuscript journal website on the following link: <http://researcherslinks.com/journal/Journal-of-Innovative-Sciences/27>

The Editors,

Journal of Innovative Sciences

LCWU,

Lahore
